Dear Manufacturer's Representative:

The Board of Directors of the Pacific Northwest Pest Management Conference would like to thank you for your support of this year's Conference. As you may know, all proceeds from this Conference go to urban pest management research projects and education scholarships. In order for the Conference to continue to support research in urban pest management, we must rely on your additional support through sponsorships of the different events. This year we have listed the sponsorship opportunities that are available and the prices for each.

Sponsorships now include your company logo being prominently displayed at the conference website for the entire year!
